PRPS CO-CHAIRS INVITATION!

Cow-a-bunga! Paula Willis and Michelle Harmel would like to invite you to RIDE THE TIDE all the way to the 2024 PRPS Annual Conference & Expo at Seven Springs Mountain Resort. Grab your sunglasses, flip-flops and Hawaiian shirts as we shell-abrate good times with other so-fish-ticated park and recreation professionals.

The 2024 Conference & Expo Committee and PRPS staff have been making waves to provide out-sanding educational sessions, speakers, exhibits, and socials that will be shore to make a splash. Things may not always be as they ap-pier with Drew Murray, magician and keynote speaker, and get ready to pass the beach ball and ask your questions to one of our great state representatives during the State of the State.

Come crab a drink and meet us at the beach boardwalk at night where you can hang-ten with friends and try your luck at fin-tastic carnival games. Keep your friends close, but your anemones closer at the Seven Springs Bowling Alley to compete for the oppor-tuna-ty to take home the District Challenge belt!

There's never a gull moment at the 2024 PRPS Conference & Expo! Sea you there!

JUST 20 MINUTES IN A PARK IS ENOUGH TO IMPROVE WELL-BEING.

(Even better than binging a whole season of your favorite show in one weekend.)

It's time to make sure park visitors know that parks and recreation are good for more than just walking the dog or taking their kids to a playground. PA's local parks and recreation provide great things for the communities they serve, from healthy environments to healthy minds. And thanks to our park pros for making sure they are safe and ready for everyone to enjoy.
